

Dear Parent/Carer

As a specialist Academy for Sport and Visual Arts, the Academy will admit up to 21 places on aptitude. Parents who wish to seek a place at the Academy for their child based on aptitude are asked to present their child for an aptitude assessment during the school year before they join the Academy ie Year 6.

I would stress that parents must also complete a Common Application Form from the local authority in which they live. Full details of our Admissions Policy are published on [the Academy's website](#) and in the [Going to Secondary School in Lincolnshire](#) online booklet.

Assessment arrangements for 2021 entry – Sport

Y6 Aptitude Assessment Dates – Sport

		<u>Drop off at Ruskin</u>	<u>Pick Up</u>
1 st Assessment date	Monday 28 th September 2020	3.50pm	5.45pm
2 nd Assessment date	Tuesday 29 th September 2020	3.50pm	5.45pm
3 rd Assessment date	Wednesday 30 th September 2020	3.50pm	5.45pm

The aptitude places should be considered as an additional entry route for your child, and do not constitute an application for a place at the Academy. Applications for a place at the Academy must be made in the normal way, via Lincolnshire County Council's Common Application Form. Should you wish your child to be considered for an aptitude place, please complete the attached application form and return it to the Academy's main reception by Friday 18th September 2020.

- There is no preparation needed before the assessment. However, students will need to wear clothing appropriate for taking part in physical activities. This should be a plain kit (no local or national team or squad kit to be worn); they will also need trainers with soles which will not mark the Sports Hall floor. They may also wish to bring a bottle of water with them, too.
- Students will need to know their home address, home telephone number and the name of their current primary school. This may be written on a piece of paper and brought with them on the day.
- Should you or your child require special arrangements – eg for access or SEND – please provide details on the attached application form.
- If your child is injured (e.g. has a broken limb) or unwell, please inform the Academy as soon as possible. Arrangements can then be made for your child to take the assessment at a later date.
- **Please note:** we do not accept portfolios or references from coaches/teachers for the Sport assessment.

Sports Aptitude Covid Protocols

- If equipment needs to be touched by a student during a test, pupils will be asked to sanitise their hands before and after use, and shared equipment will be cleaned with sanitiser between use. However, the use of equipment is very minimal.
- We will endeavour to keep pupils 2 metres apart; markers will be placed on the floor for positions when waiting for a test to start.
- Pupils are required to bring water bottles as no snacks or drinks will be provided.
- Some tests will be completed outdoors, however, if the weather is poor, it may be necessary to reschedule the assessment. If for whatever reason the assessment has to be cancelled, a member of the Ruskin Administrative team will contact you.
- Pupils will be placed into groups of no more than 10. They will stay in these small groups from the point of arrival and will be informed to maintain 2 metre distance within groups.

Arrival at the academy

- When parents arrive at the academy, they need to drop their child off near the bus stop (directly in front of you as you drive on to the site) and not go into the academy. A member of Ruskin staff will be there to welcome you. At this point, parents will be informed where to pick their child up from at 5.45pm. There will be two gates near the field for pick up (red and green) to make the departure quicker.
- Pupils will be invited to enter the gate onto the field by a member of Ruskin staff and will be sent directly to their group. From here, pupils will move to the different tests as directed by a member of Ruskin staff.
- There will be a maximum of 60 students taking the test on each evening.

Departure from the Academy

- Pupils will return to the field for departure, only to be released when parents present themselves at 5.45pm.
- Parents will need to go to the designated red or green gate where their child will be nearby to be excused.

Test and trace

We will keep up-to-date records of the children attending the aptitude assessments for at least 21 days, including the schools they attend and the specific groups and members of staff they have been assigned to their group. We will gather all of this information from the application form.

Vulnerable, extremely vulnerable children and those with protected characteristics

If your child is vulnerable, extremely vulnerable or has protected characteristics, please could you inform us about this and we will endeavour to make appropriate adjustments.

Corona symptoms

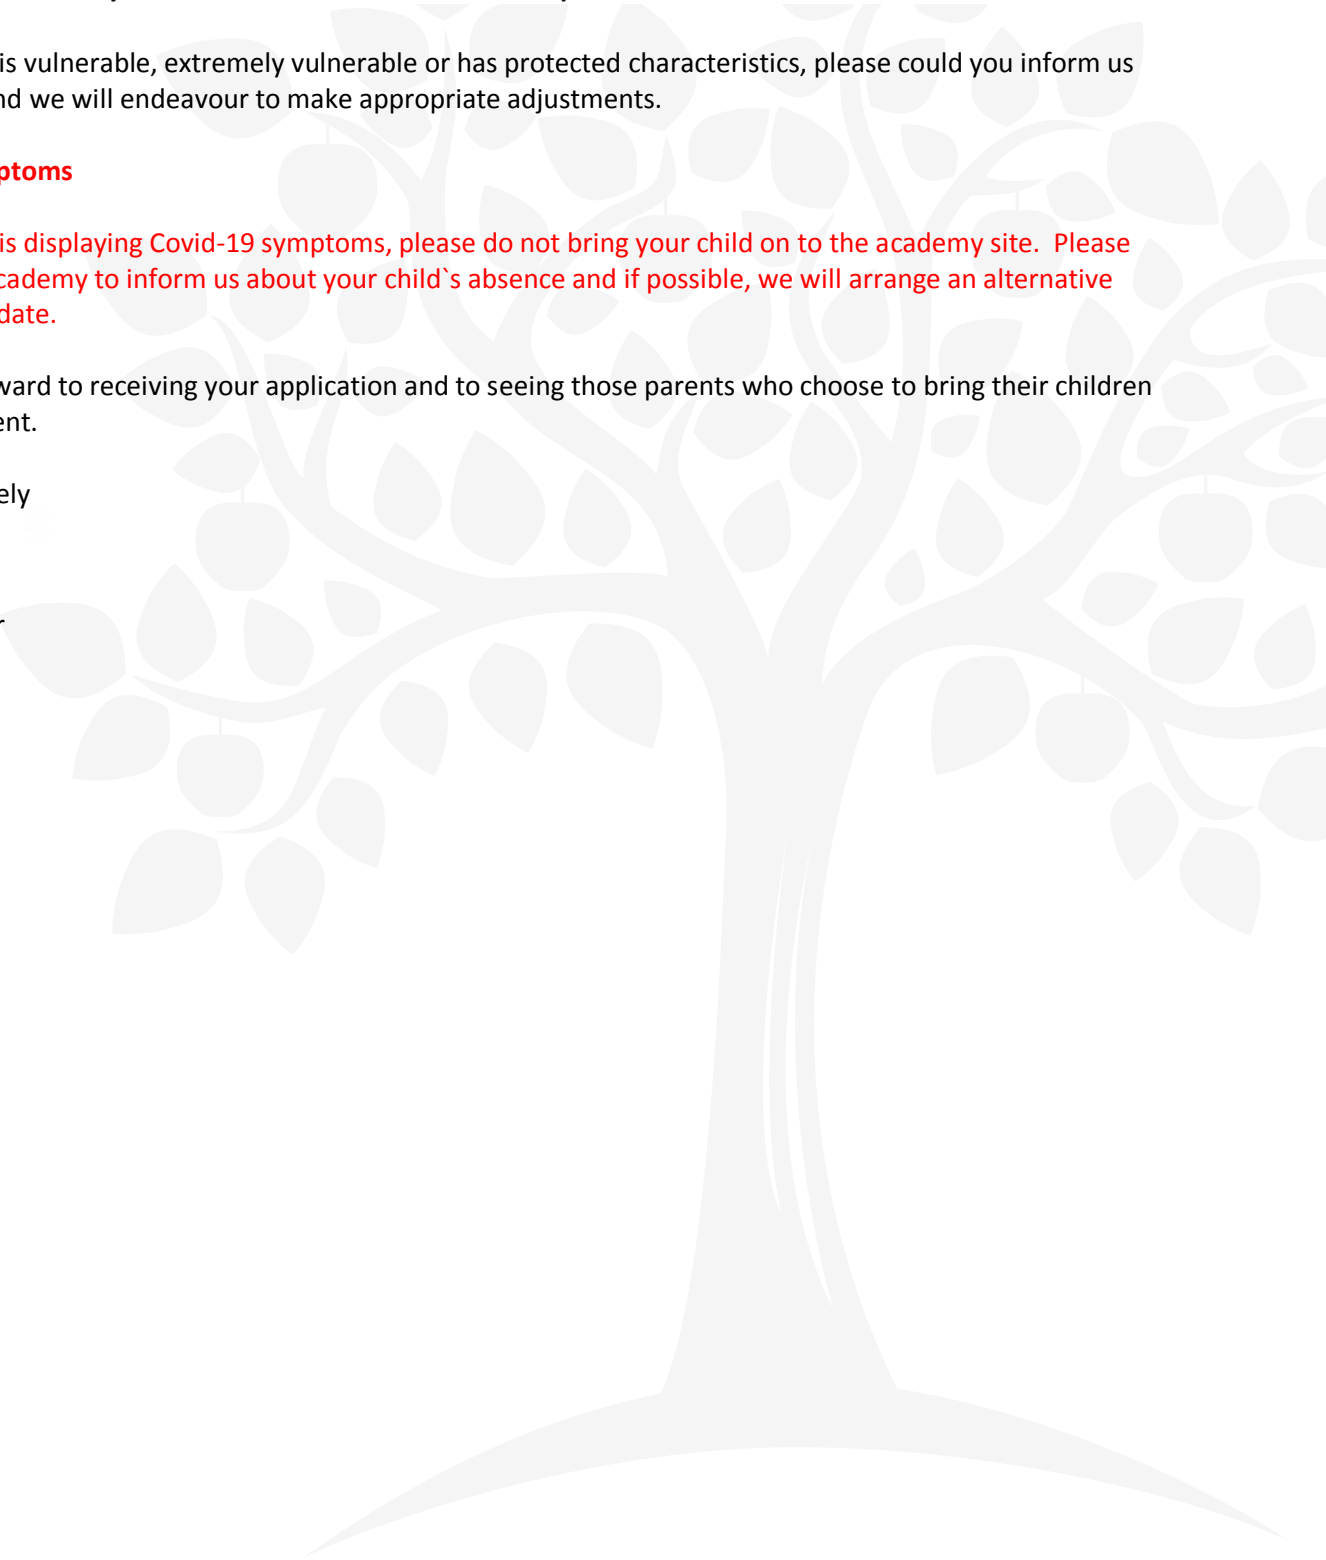

If your child is displaying Covid-19 symptoms, please do not bring your child on to the academy site. Please phone the academy to inform us about your child's absence and if possible, we will arrange an alternative assessment date.

We look forward to receiving your application and to seeing those parents who choose to bring their children for assessment.

Yours sincerely

Ms R Wyles
